## NEWS LETTER

### Asia Regional Office

Fyns Kran Udstyr A/S is conscious of the constant development in the market and in constant focus on the customers' needs. We are pleased to announce our newly set up in Singapore to continue serving the needs of our clients when their vessels call at the Asian ports.

Our Asia regional office is jointly set up with a Singapore based company, Amos International Singapore. Amos provides sound marine & offshore logistics management and supplies solutions to vessels calling at major Asian ports. Operated by people experienced in marine & offshore logistics and supplies, Amos International has the sourcing expertise, be it technical or food & beverage requirements, to meet the challenging demands of today's shipping industry.

Synergizing the two companies' procurement and logistics functions and depth of products and services, Fyns Kran (Asia) Pte. Ltd. is confident to extend our legacy of quality products and service to vessels calling in Asia too.

Our broad range of products & services:

1. Towing & Mooring Systems
2. Wire Ropes & Synthetic Ropes
3. Anchor Chains & Fittings
4. Cable Laying Equipment
5. Lifting & Rigging Gears
6. Lashing Equipment
7. Ship Stores
8. Provisions
9. Main & Auxiliary Engine Spares
10. Oil & Gas Products & Consumables
11. Safety Equipment
12. Flow Control Equipment

With commitment to ensure competitive pricing, timely delivery, premium quality and service, Fyns Kran (Asia) Pte. Ltd. is well poised to become a reliable business partner to all our valued customers.
